

Nova C Series Double Back Elevation

Characterized by sleek lines, generous proportions, and smooth contours, this new double-side bench creates a focal point for public interiors. The bench's low, lateral construction gives it an understated profile, while its serpentine shape adds an eye-catching complement to contemporary environments.

Sustainability Information

- 100% certified sourced wood from responsible forestry
- 100% Recycled HDPE OceanIX plastic, made from old fishing nets
- Legs 100% recycled steel. Metal strips 20% recycled steel. Overall 85% recycled steel
- Wood parts: hard wax oil with 0% VOC and zero chemicals on the SIN-list
- Metal parts: powder coating with zero chemicals on the SIN-list
