

Seamless Table Series

The Seamless Table is much more than a surface – it's a modular tabletop design capable of creating a space within a space. The contouring tabletops are inspired by natural shapes to create multipurpose spaces. The table includes charging stations and is perfect for ad-hoc meetings, eating, drinking, or working on the fly, for both groups and individuals to meet and interact. The tabletop works in tandem with the Leaf Lamp Link Tree as "the Biophilic combo," creating a wide variety of placemaking possibilities. Both the table and the Leaf Lamp Link Tree can be scaled in size to suit the proportions of the surrounding space.

Sustainability Information

- Certified Oeko-tex standard 100 wool felt
- Certified sourced plywood from responsible forestry
- Metal parts: powder coating with zero chemicals on the SIN-list
- Table top: hard wax oil with 0% VOC and zero chemicals on the SIN-list
- The branchwork is clicked together without the use of any adhesive
- PVC- and Halogen-free cables
- Each part can be replaced individually for easy maintenance during the product's life cycle

- Seamless Table Endpiece w/Hole
- Leaf Lamp Link Tree M w Table
- Leaf Lamp Link Tree L w Table
- Stem

Warranty

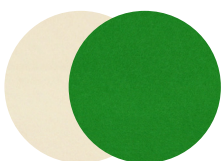

5 year warranty. At the end of the lifecycle, all parts can be separated to material level and recycled.

Materials & Finishes

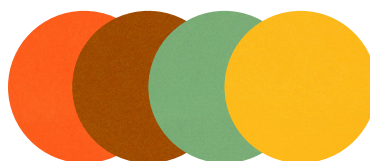

All leaves are made of 3mm thick wool felt. The felt is available in 80 different colours and can be combined into unique mixes.

The metal trunk, stem and foot are made of steel and powder coated. The colours have zero chemicals on the SIN-list. We can provide almost any RAL colour for the metal parts.

Wooden dowels are made from birch wood. The table tops are made from plywood with oak surface veneer.

Seamless Table Series

Maintenance & Cleanability

For maintenance of the Leaf Lamp Series, we recommend using an electric leaf blower. Blow through the whole lamp for about five minutes. Cleaning can also be done with a dust bin.

Recommended intervals of cleaning are every 6th to 12th months.

For cleaning of the wood surfaces use Rubio Monocoat SOAP. The Rubio Monocoat SOAP is available to buy in concentrate 1l and 2l cans. The mixture is efficient on most stains. Use a microfibre cloth.

Certifications

- CE Certified
- Oeko-tex (felt)

Standards & Tests

- SP tested
- B-s1 (felt tested)
- Standard UNE 23727:90 Class reached M1 (felt tested)
