

Nova C Series Double Lounge

The Nova C Double Lounge seating inspires a sense of comfort seldom seen in public space furniture. The design invites those seated to sit back, enjoy the moment, and take time to relax and refresh. Although the sweeping seat and backrest have the appearance of an individual lounge seat, they are a modular design that can be extended to create any number of seats.

Warranty

15 year warranty. At the end of the lifecycle, all parts can be separated to material level and recycled. Part of Green's Buyback System.
