

Product Warranty Nova C Outdoor Series

Green Furniture are proud of the products we manufacture, products for nice experience seating in public interiors. We confidentially warranty our products against defects in material and workmanship when property installed, maintained (controlled and cared for at least once a year) and used for their intended purposes, for a period of three (3) years from date of manufacture.

Upon receipt of written notice of the defect during the applicable warranty period, Green Furniture will at its option either repair or replace the defect component free of charge. During the first year of this period, the units shall be repaired in the field at Green Furniture's expense. After the first year any components found faulty will be replaced at Green Furniture's expense for the installation at the client's expense.

Green Furniture's products are designed to provide long service under normal use and provided that the applicable maintenance description is followed. Damage resulting from misuse, abuse, negligence or accident are not covered. While serviceability will be maintained, we cannot prevent normal wear and tear, colour and texture changes, or natural variations in wood, leather, stone etc.

Green Furniture should not be held liable for consequential, economic or incidental damages arising from any product or defect.
