

Product Warranty for Nova C and Ascent Series

Green Furniture Concept offers a manufacturer's warranty on the products from its Nova C and Ascent Series for a period of fifteen (15) years from date of manufacturing. The warranty protects against defects in material and workmanship when the products are properly installed, maintained (controlled and cared for at least once a year) and used for their intended purposes.

Upon receipt of written notice of the defect during the applicable warranty period, Green Furniture will decide to either repair or replace the defect component free of charge. During the first year of this period, the units shall be repaired in the field at Green Furniture's expense. After the first year, replacement components will be provided for original components found faulty at Green Furniture's expense however installation will be at the client's expense.

With normal use, Green Furniture's products are built to last for several years provided that maintenance recommendations are followed. Damage resulting from misuse, abuse, negligence or accidents are not covered by the manufacturer's warranty. While serviceability will be maintained, Green Furniture cannot prevent

normal wear and tear, colour and texture changes, or natural variations in wood, leather, stone etc.

Warranty for electronic and electrical components:

Electronic and electrical components are not covered by this warranty.

When professionally installed by an authorised electrical contractor, we guarantee our electronic and electrical components for one (1) year from delivery against defects in material and workmanship.

Green Furniture should not be held liable for consequential, financial or incidental damages arising from any product or defect.
